

## Beer Menu

(As of 11/29/18)

### **1. Blackstone Pale American Pale Ale (\$5)**

A balanced American Pale Ale brewed with 2 row pale malt and Rye which will provide a delicate malt and a pleasant hop aroma. Hopped with Chinook and Cascade Hops. **5.7 ABV 48.2 IBU'S**

### **2. Bienvenu French Quarter Red (\$5.00)**

A Red Ale brewed for the single purpose of allowing you to enjoy a great beer that is not hop heavy. More on the malty end of the scale with a bit of a residual sweetness provided by the Panela (unrefined South American Sugar Cane) that is added during the boil. This is a beer that goes great with a meal, or outside next to a fire. **23.9 IBU's 5.5% ABV**

### **3. Yo Mama! (\$6.00)**

An IPA brewed to be a bit more traditional in style. Brewed with Idaho 7 and El Dorado Hops both for aroma and bitterness. This IPA has a great hop aroma and a pleasant upfront bitterness. Not overbearing in anyway, but a great beer to have if you're looking for something that tastes more like an Old School IPA. **6.4 ABV 85.2 IBU's**

### **4. Rhode Haze (\$6.00)**

The Ravenous version of a New England IPA. Brewed with a healthy dose of El Dorado and Citra hops all added late in the boil and during fermentation to provide a tropical fruit aromatic IPA with a hazy finish that settles slowly. This beer is smooth to drink and enjoyable during every sip. **(Contains Oats and Wheat) 6.2% ABV 27.7 IBU's**

### **5. Cogswell Tower (\$6.00) 12oz**

We've taken one of our favorite IPA's and converted it into a Double IPA. More hops, more malt and more flavor and hop aroma. A smooth IPA that smells amazing due to the Mosaic and El Dorado hop combination and a smooth full body. All good things are limited though. Available for 12oz pours only at this time. Can release coming soon. **69.3 IBU's 8.2% ABV**

### **6. Coffee Milk Stout (\$5.00)**

Our original beer, first brewed in July of 2012 has been a fan favorite ever since. Brewed with 2 row pale malt, black and roasted barley and rolled oats. The beer is then infused with New Harvest Coffee (Pawtucket RI). Contains Lactose Sugar. **23.8 IBU's 5.5% ABV (Contains Oats and Wheat)**

**Coffee Milk Stout**
