

# Ravenous Brewing Company

On Tap

**SIDE BY EACH** Saison • 6% • Woonsocket, RI

Draft \$6

Hoppier than a classic Saison, but still full of the spice and fruit notes the style is known for. Blended with a small amount of mashed blackberries. A perfect example of ingredients working side by side to make a perfectly refreshing beer.

**Rhode Haze** IPA • 6.2% • Woonsocket, RI

Draft \$6

The every popular New England IPA packs plenty of haze and tropical fruit aromas. Brewed with Citra, El Dorado and Cascade hops. This style of beer has low bitterness, smooth mouthfeel and plenty of aroma.

**COGSWELL TOWER DIPA** Double IPA • 8.2% • Woonsocket, RI

Draft \$6 (12oz)

Smooth full-bodied Double IPA provides great aroma from the Mosaic and El Dorado Hops. Limited to 12oz pours and cans. No growler fills.

**BIENVENUE FRENCH QUARTER RED** Red Ale • 5.5% • Woonsocket, RI

Draft \$5

Red Ale brewed for easy drinking. This malty ale provides a slight amount of residual sweetness provided by the Panela (unrefined Colombian Sugar Cane).

**BAD BAD LEROY BROWN** Brown Ale • 5.7% • Woonsocket, RI

Draft \$5

This Brown Ale is smooth and with a full body. Brewed with more hops than a traditional brown ale with the purpose of balancing out the malt. In the days of IPA's, sours and imperial beers, we enjoy this beer which resets the palette and provides a welcome variety to our beer selection.

**COFFEE MILK STOUT** Milk Stout • 5.5% • Woonsocket, RI

Draft \$5

Our original beer. Brewed for the first time on July 2012 for our initial beer release.

Brewed with black and roasted barley and rolled oats. Infused with a blend of New Harvest Coffee (Pawtucket, RI). Contains lactose.
